The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. The appropriate extension fee under 37 CFR 1.17(a) is calculated from: (1) the expiration date of the shortened statutory period for reply originally set in the final Office action; or (2) as set forth in (b) above, if checked. Any reply received by the Office later than three months after the mailing date of the final rejection, even if timely filed, may reduce any earned patent term adjustment. See 37 CFR 1.704(b).

2. ☐ The Notice of Appeal was filed on _____. A brief in compliance with 37 CFR 41.37 must be filed within two months of the date of filing the Notice of Appeal (37 CFR 41.37(a)), or any extension thereof (37 CFR 41.37(e)), to avoid dismissal of the appeal. Since a Notice of Appeal has been filed, any reply must be filed within the time period set forth in 37 CFR 41.37(a).

Examiner, Art Unit 2431

Note: Applicant's amendment to independent claim 22 raises new a ground of rejection and will require a new search. First, applicant has amended independent claim 22 to recite "connected over a data bus with a remote control unit" and further adds the recital of "by the control unit over the data bus". Examiner contends there exist a 112th 2nd paragraph, Lack of antecedent basis, with applicant's newly amended subject matter. Secondly, applicant's amendment to independent claim 22 varies the claim scope as presented in previous claim limitation language by the addition of the reciting of claim limitation elements, "remote control unit" and "authorization availability". Examiner contends to properly address applicant's remarks presented on 2/27/2009 as they pertained to the newly added subject matter in independent claim 22, a proper examination will be required and subsequently a new search in this instance.
